Our Programs

The following 5 programs are available for sponsorship:

Camp

Since 1976 our Summer Camps have blended hands-on science with outdoor, experiential education to create the best summer camp experience for kids grades K-12. We have on-campus and off-campus day and overnight options. In 2025 we anticipate serving over 1,600 campers.

Summit School District Partnership

Your sponsorship directly contributes to providing discounted summer day camp rates for local families with students from K – 8th grade in the Summit Day Camp and Pathfinders programs. Our sliding fee scale ensures that families in the community have access to affordable childcare, fostering a supportive environment for academic and personal growth.

Girls in STEM

We believe in empowering girls by engaging them in hands-on, real-world activities to show STEM is relevant and fun in an ever-changing world. Female STEM professionals volunteer to mentor, support and inspire the students to further their STEM interests and studies and share their successes and challenges in navigating a male-dominated industry.

H2O Outdoors & Beyond the Classroom

H2O Outdoors is a 3-day program introducing high school students to water management policies, careers, and field-based research. Beyond the Classroom is a 3-day workshop equipping educators with science curriculum, training, and lesson plans to implement issue-based learning.

Outdoor Education Field Trips

KSS is proud to provide schools with unique overnight field trips that combine Science with place-based hands-on learning in a high mountain environment. Our classroom is the forest, streams, and alpine tundra where students can apply classroom learning to the outdoors.

Event Sponsorship

Join forces with Keystone Science School by sponsoring our upcoming events, including fundraisers and volunteer projects. Your support will not only shine a spotlight on your business but also play a vital role in advancing our mission. We offer various sponsorship tiers, so you can choose the level that best fits your goals and budget.

2025 Event Calendar

The following events are available for sponsorship:

Sipping for Science

This event will provide guests with a fine dining experience with wine tastings at the Keystone Ranch Restaurant. As a sponsor, you will be provided with the opportunity to showcase your business, mingle with colleagues and friends, all while supporting Keystone Science School's mission.

KSS Summer Celebration

Science. Adventure. FIESTA! is a family-friendly fundraiser filled with great company, camp songs, and a silent auction. Our generous event hosts, Dos Locos Mexican Restaurant, provide a delicious gourmet Mexican buffet and dessert.

Sipping Under the Stars

Join us at the Keystone Science School Campus Observatory for a night of Celestial Wonder. Our incredible astronomist, AstroMark, will show guests the night sky using the Observatory telescope on campus, along with wine tastings throughout the evening.

Spring & Fall Volunteer Days

The Keystone Science School community will come together and prepare our campus for the upcoming school year and summer camp seasons. We welcome all ages and encourage local businesses to make a teambuilding afternoon of it!

KSS Speaker Series

A series of on-campus educational talks featuring industry experts, such as avalanche specialists and weather forecasters, sharing their knowledge and insights.
