

DAY CAMP

PACKING LIST

Although the days can be sunny and warm, the evenings can be surprisingly cool, sometimes near freezing. Afternoon thunderstorms or snowstorms can occur at any time, making good rain gear and warm clothes a must. There is no need to buy all new equipment for camp. Your child should wear comfortable, well-used clothing (especially hiking boots) that is appropriate for hiking and playing outdoors in all weather conditions. Synthetic gear (poly, nylon) or wool is recommended over cotton for outdoor activities. Expect your child to have fun & get dirty!
